The Honorable George W. Bush
President of the United States of America

Dear Mr. President

On behalf of the Central Directorate of the Guardians of the Cedars – National Lebanese Movement, we warmly extend our heartfelt congratulations for the historic victory you achieved. We are confident that the millions of Americans who voted for you have indeed renewed the mandate of placing their trust in your wise, straightforward and courageous policies in confronting terrorism, fanaticism, fundamentalism and the dictatorships in the Middle East.

We also hail the unrelenting efforts of our brothers and sisters of the Lebanese-American community who supported your bid for re-election. Like us, they remain vocal in defending and promoting your leadership in the fearless fight against terrorism, religious fundamentalism, poverty and human rights abuses in those parts of the world where the threat to the free world remains.

Mr. President, we are convinced that your genuine commitment to a democratic and peaceful world that is free from terrorists and terrorism will greatly benefit the oppressed Lebanese people and put an end to the savage Syrian occupation of their country. We support your administration's determination to pursue by all means necessary the immediate and unconditional implementation of UN Resolution 1559.

Mr. President, your victory is a victory for our beloved Lebanon, and for our people's freedom and prosperity.

May God Bless America
