To Whom It May Concern:

This is to verify that Simon Salim Nakhle is a member of our organization - Guardians of the Cedars. He joined our political Party in 1975 during the war on Lebanon to defend our nation against the Palestinian and Syrian aggression.

The Syrian Baath regime military occupies Lebanon and has control over the country. The Syrian military intelligence still seeks, kidnap, detain, torture and eliminate all that oppose its presence in Lebanon. The Lebanese puppet regime and its security machine acting as agents for the occupation have been found guilty by all Human rights organizations in the world of such acts upon all freedom seekers in our country.

We sincerely urge that Mr.Nakhle and his family be assisted in all that is required to maintain a secure and safe life outside of his country in the hope that one day he will be able to return to live in safety and security among his friends and family.

Please do not hesitate to contact the under signed for any information required to assist in this matter.
