The Commander

A Free Lebanon is Declared

ADDRESS TO THE NATION PEOPLE OF LEBANON,

Lebanon witnessed ups and downs in the course of history from its existence. The conspiracy to weaken Lebanon and sell it to Syrian domination as a reward for the current package deal for so called "Peace" is continuing, despite our best efforts to counter it and establish a Free and sovereign Lebanon that would serve the best interests of a lasting peace in the Middle East.

For the current Syrian and Iranian barbarism that is invading our villages and destroying our homes and Lebanese values, we say your day will not last long.

Lebanese groups:

The puppet Government of Lebanon, Islamic Fundamentalism and its Syrian proxies, including all the subversive groups placed on the list of International Terrorism, they do not represent the Lebanese identity nor its people. [PARA] These are the same groups who assassinated late President Bashir Gemayal, the late President Renee Moawad, Druze Leader Kamal Joumblatt, Sunni Leader Hassan Khaled, and thousands of other Lebanese patriots for the purpose of swallowing Lebanon and making it a Syrian protectorate. These groups support the drug trade to the U.S., have exported terrorism, exiled Lebanese Leaders overseas and jailed others in Lebanon are assisting in the destruction of Lebanon today.

In this very delicate moment of existence, I proclaim the Government of Free Lebanon from exile. All free Lebanese are invited to join hands until Freedom and Democracy are restored and Lebanon regains its liberty and freedom from all foreign domination. We shall not forget, thousands of young men and women who gave their lives for Lebanon to survive. We shall not forget hundreds of Lebanese prisoners in Syrian jails. In their names, we made a commitment to continue. From where we are today, this Government will consider all viable options to realize the struggle of the Lebanese Nation.
